

INWARD PASSPORTING MARKET OPERATORS

This table lists the notifications we have received from market operators located in other EEA Member States in respect of arrangements they intend to make in the UK so as to facilitate access to and trading on their markets by remote members or participants established in the UK. The notifications are made under Article 42 of the Markets in Financial Instruments Directive (2004/39/EC) in respect of arrangements facilitating access to a regulated market (RM) and under Article 31 of the same directive in respect of access to a multilateral trading platform (MTF). The table includes notifications only by market operators, not by investment firms operating MTFs.
